

Two Youths Held After Series Of Events In District

Wreck, Jail Break Climax Flight Of Youths In This Area

Two escapees from the Washington state reformatory, aged 16 and 17, caused considerable trouble for officers and no little damage to the Truckee jail during their escape here Sunday afternoon. Both were apprehended and are now being held at Nevada City.

The two, Joseph Cerry, 17, and Dwayne Albright, 16, were arrested by State Patrolman T. F. Sheehan and Carroll Maynard after the stolen car in which they were traveling west was wrecked near Floriston at 5 a.m. Sunday when it plunged off the road while traveling at an estimated 90 miles an hour.

Both boys were treated at the Tahoe Forest Hospital for minor injuries and later lodged in the women's ward of the jail. During the afternoon, they crawled through a 9-inch opening over the shower into the jail attic. They ripped off a portion of the shingled roof, jumped down on the roof of the old Truckee garage and went into the woods near the forest service headquarters.

Later Saturday afternoon they attempted to steal a car belonging to Mrs. Laura Patton but gave up when they found it out of gas. They went to the home of Mr. and Mrs. Angelo Besio on River street and took a car belonging to the Besios.

An alarm had been turned in and all officers in the area alerted. Deputies Angelo Chiaretti and Bud Rabaska of Tahoe found the pair at the entrance of the Squaw Valley road on Highway 89 at 9 p.m. and returned them to Deputies Roy Waters and Emery Lander at Truckee.

The boys admitted, Maynard said, to breaking out of the reformatory last Wednesday. They told the officer they stole a car there and drove to Seattle, later went to Lovelock, Nev., where they stole another car. As they stopped in Reno an officer went to question them and they sped away, running red lights and disregarding several shots fired at them.

They were going strong when they neared Floriston but on a curve they lost control of the vehicle which plunged down a 50-foot embankment and wedged against a Sierra Pacific Power Company flume.

Officers found the two huddled near the car and placed them under arrest.

Waters and Lander took the pair to Nevada City where they were awaiting disposition by federal officers.

WOMAN INJURED IN FLORISTON CRASH

RENO — Clara Riley of Emeryville, suffered severe facial injuries Wednesday afternoon when her sedan skidded into a Smith-Petersen Co. gravel truck driven by Joseph Borge of Reno near Floriston. She was taken to a Reno hospital. California highway patrol officers were several hours reaching the scene.

Emerald Bay Road Is Closed After One Month

After being open for about one month, the Emerald Bay portion of State Route 89 was closed once again Tuesday because of the snow storm. It will probably not be reopened this winter as the state division of highways says the road is usually closed for the winter about this time for the year. It cost the state \$200,000 to open the lateral for the one month's use.

REBEKAHS PLANNING IMPORTANT SESSION

A formal meeting combining three important phases of the lodge work will be held by Naomi Rebekah Lodge, No. 2, Wednesday, December 12, at which Laura Horman, noble grand will preside.

Janet Wortell, district officer and other members of the Dutch Flat lodge will make an official visit that evening and Mrs. Wortell will give instruction in the work.

Election of officers of the local organization will also be held and at the same eventful occasion, five candidates will be initiated.

All members are urged to prepare for and attend the affair.

PTA FOOD SALE TO BE HELD ON FRIDAY

A food sale will be held at 10 o'clock Friday morning in Duane's DoNut Shop by members of the Truckee Elementary PTA.

Children of the third and fifth grades made posters for the coming event.

The committee assisting Mrs. C. W. Sciutto and Mrs. L. H. Brasch includes Mesdames: Daniel Horman, Glen Miller, Tony Ralphs, Russell York, Clyde Strickler, Alex Ayala, Paul Capel, Ray Hintz, Harry Barnes and William Englehart, Jr.

Truckee Woman Seriously Injured In Auto Accident

Mrs. Olga Welch, wife of Hal Welch, president of the Truckee Chamber of Commerce and owner of the St. Louis Cafe, was seriously but not critically injured Friday evening in an automobile accident opposite the Flycasters Club, six miles east of here.

Mrs. Welch was returning from a business trip to Reno and started to round the curve at about 8 p.m. when the right front wheel hit the shoulder of the road and the car went out of control. The vehicle struck a rock, careened into a guard rail and was demolished.

Planks from the guard rail pierced the vehicle but fortunately they only glanced off the driver, who was alone in the car.

Mrs. Welch was rushed to the Tahoe Forest Hospital by Truckee ambulance and is being treated for numerous injuries, the most serious of which is a broken pelvis. One eye was seriously injured but the sight was not impaired.

Mrs. Welch told investigating officers that she remembered nothing after the front wheel left the pavement, but it was presumed that she was too close to the right side of the road or that another vehicle may have been approaching and she attempted to avoid it.

The Welches planned to leave the day after the accident on their vacation for two weeks.

Patrolman Bud McCallen made the investigation.

Jobs Still Open At Local CHP Office

Only two of the 15 applicants for the four positions as dispatcher-clerk at the Truckee office of the California Highway Patrol, qualified for the examination slated for this month and as a result the examination has been postponed until February 16, Sgt. Frank Snyder announced.

The position pays from \$325 to \$379 per month and the requirements are not rigid. Jobs will be available between now and March, Sergeant Snyder said.

A dispatcher-clerk operates radio-telephone transmitting and receiving equipment, dispatches mobile units, types messages received, operates a teletype and performs other clerical work including maintenance of a log of messages and assists in the preparation of reports.

An appointment with the highway patrol may be anticipated. All applications must be made by January 25. Further information may be obtained by calling Sergeant Snyder.

SIERRA SUN PREPARES CHRISTMAS EDITION

The Sierra Sun is preparing its annual Christmas edition, featuring greeting ads from the merchants, officials and others desiring to use this method to send Christmas tidings to their friends and patrons. The edition will be published December 20 and anyone desiring space, and not personally contacted, may call or write the Sierra Sun.

All orders must be in by December 15.

MacLeods Parents Of Son At Hospital Here

Mr. and Mrs. Norman MacLeod of Tahoe City became the parents of a boy on November 29 in Tahoe Forest Hospital.

Stewart Kevin, as the child was named, weighed 8 pounds, 3 ounces on arrival.

Easton Buehler Being Treated For Shot Wound

Easton Buehler was treated at Tahoe Forest Hospital on November 30 after he had accidentally shot himself in the left foot while target practicing.

Buehler had started to lay the pistol down when it suddenly fired the bullet into the foot.

Fined For Fight

Mert Bahneman, 27, Woodland, was fined \$150, of which \$100 was suspended when he pleaded guilty to assault in the court of Judge F. W. Wilson Monday. The complaint, signed by William Campbell, charged that the Woodland man struck him in a local bar.

Wolverines Ready For South Tahoe In Hoop Contest

Practice Ends As Team Is Prepared To Open With Vikings

Tahoe-Truckee's Wolverines and Cubs finish up their pre-season practice tomorrow on the eve of their opening games with the South Tahoe Vikings and Junior Varsity teams on Saturday, December 8. The preliminary game is scheduled to start in the new South Tahoe gymnasium at 7 p.m. Actually, the opener will be a three-way affair, as the Tahoe-Truckee Wolverettes take on the southern lake girls' team at 4 o'clock.

The Wolverines varsity finished up last week's work with a scrimmage on Friday and the results were very favorable, with the entire team hitting well from the floor as well as displaying good speed and rebounding ability. Good pivot play was turned in by both Tom Sheehan and Dave Rickert, 6 feet, 2 inches and 6 feet, 3 inches, senior respectively, while forwards Bob Trask, Berger Nelson, Ken Vaughan and Douglas Wilson were impressive in their shooting and backboard work.

The guards, or backcourt men, are Ken Osburn, L. J. Robinson, Dean Holbrook, Doug Cooke, and Wes Ball, all of whom were driving hard and hitting well from outside. Floyd Cooper, junior guard, is still recovering from a football injury and has undergone surgery for a severe leg injury. His return to the squad is indefinite, but it is hoped that recovery will be rapid and that the sharp-shooting letterman may be ready for play later in the season.

The Cubs, meanwhile, have been drilling and scrimmaging daily with the emphasis on fundamentals and team play. A starting lineup appears to include Dennis Rickert at Center; Craig Robinson, Joe Montano, or John Firpo at forwards; with Allan Young and Stan Stock at guards. Also due to see plenty of action with this green but hustling team are Gary Hulbert, Marty Kumble and Bob Williams.

Coaches Jim Brehler and Stan Drakulich, Manager Gary Gunkel and Reg Smart, and the 26 team members will leave early Saturday afternoon for the 1956-57 opener with high hopes for a successful and winning season. It is hoped that a large group of parents and friends will fill their cars with rooters and make the short trip to Al Tahoe to give the Wolverettes, Wolverines and Cubs a fine send-off for the year.

The teams entertain the Vikings in a return pair of games on December 21, the home opener for the cardinal and white clad basketballers.

Results of games played last week by opponents:
Douglas 52, South Tahoe 32.
Lovelock 44, Fernley 36.
Winnemucca 51, Battle Mountain 36.

PRE-HOLIDAY TEA BY WYETHIA CLUB

Friday afternoon, between the hours of 2 and 5, the past presidents of the Wyethia Woman's Club will be hostesses at a pre-holiday tea, to be given in the Methodist Church edifice.

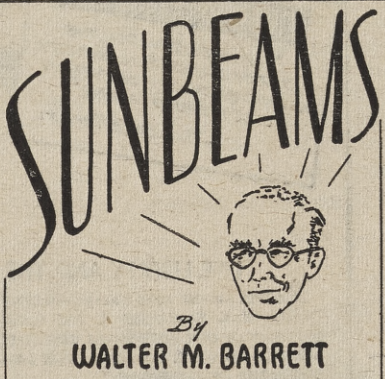

Mrs. Fosten Wilson, chairman of publicity, said that members of the organization have been asked to invite guests, many being newcomers, who will receive a welcome into the community.

William Freys Parents Of Infant Daughter

Mrs. Muriel Frey received a telephone message on Monday that her son and daughter-in-law, Mr. and Mrs. William Frey of San Jose became the parents of a daughter on that day.

The little girl weighed a round 6½ pounds and has been named Linda Pauline. Her parents are well known here where they formerly lived.

Mothers Are Guests—Mr. and Mrs. Wayne Philippi Have As Their Guests Their Mothers, Mrs. Amanda Philippi and Mrs. Elmay Lawrence of Portland, Ore., who arrived to be present at the Order of the Eastern Star and Masonic Lodge installation last Saturday night and will remain with their children until after the holidays.

The rather severe snow storm, coupled with carelessness this week resulted in a number of vehicle accidents on local highways and this should serve as a reminder that winter weather and slick highways demand more than passing caution by drivers. We frequently see drivers brush off a peek hole in the snow plastered windshield, then get in and drive as though they could see perfectly. It takes only a minute longer to clear the windows and be sure. Others, with or without chains, drive at speeds unsafe even in dry, clear weather, probably thinking that no one will run into them and that they alone should have use of the highways. We noticed even a school bus make a corner the other morning at a speed which sent it into a dangerous skid. All these hazards can be avoided if everyone would just use common sense and a bit of old-fashioned courtesy. Driving a vehicle under normal conditions is dangerous enough so take it a little easier and come up in the spring with all your fenders intact.

There are only 15 more shopping days until Christmas. We know most of you still have a lot of shopping to do, so why not take your list today and go into the local stores and complete the job while stocks are complete. You will find trading at home is a pleasure and we know you will find gifts for everyone you care to remember. Remember, too, that every dollar spent here helps make this a better community.

Ordinance Would Eliminate Trespass

The Nevada County Board of Supervisors, meeting Monday, instructed District Attorney Vernon Stoll to draw up an ordinance declaring the Truckee River from the Nevada state line to the Placer County line an open highway for fishing.

The request for the ordinance was made by Supervisor H. C. Loehr at the request of the Truckee Outdoor Sportsmen and following a discussion with the Nevada County Sportsmen's Club.

Earlier this year, the supervisors voted down an all-stream proposal following public hearings which showed ranchers opposed to the plan. However, it was noted that the Truckee River does not have ranches along its banks and would cause no trespass problem which would be created in the western end of the county.

The ordinance will provide for fishing along the entire length of the stream in Nevada County during the open season.

ENGLEHARTS FETED ON ANNIVERSARY

Mr. and Mrs. William Englehart, were the guests of honor at a family party given by their son and daughter-in-law, Mr. and Mrs. William Englehart, Jr., on Tuesday, their 49th wedding anniversary.

The well known couple were married in Truckee and except for a comparatively short time, have lived in this community where they have taken a prominent part in civic, lodge and social activities.

Since the event this week they have received felicitations from their many friends.

BENEFIT GAME IS DELAYED FOR WEEK

The benefit basketball game between the University of Nevada girls and the Wolverettes of the Tahoe-Truckee High School scheduled for last night was postponed until next Wednesday evening, December 12. The game will be played on the local court and promises some fast action.

Return Trip—Mr. and Mrs. J. Lloyd, Jr., returned last week after several days spent at Napa.

Heavy Snowfall Is Recorded To End Record Dry Month

21 Inches Of Snow Falls In Truckee During Two Day Storm

Resort owners and operators in this region were assured an early and winter sports season as a result of the storm which swept in Tuesday and Wednesday to deposit 21 inches of snow in Truckee and 30 inches on Donner Summit.

The U. S. Forest Service reported that the 21 inches of snow held 1.96 inches of moisture. The storm provided the first precipitation recorded for more than a month, November, which usually records an average of 2.29 inches, being dry. Total precipitation to date for the year, since September 1 was 7.72 inches while the normal to December 31 is only 8.25 inches.

High temperature during the week was 55 degrees on Monday. The low was 14 on Sunday, the forest service reported.

TAHOMA MAN HURT IN SOUTH MISHAP

TAHOMA — Word received here announces that Robert W. Cushman will be home Wednesday from his hospitalization in Bridgeport. Cushman and his son, Charles, were on their way home Saturday night from Los Angeles when the car went out of control on Highway 395 near Bridgeport. Cushman suffered concussion and was put into the hospital. Charles received no injuries. Mrs. Cushman drove to Bridgeport Sunday and will return with her husband.

CHEFS NAMED TO COOK PTA DINNER

Chefs for the dinner to be given by the Tahoe-Truckee Unified PTA on Thursday, December 13 at 8 p.m. in the high school will be Reg Smart, Hal Welch and Earl Brown.

The music department is preparing a variety of musical selections varying from "Goofus," and "Panama" to "High and Mighty." Tickets to this interesting evening are now being made by members of the association.

POLIO FILMS WILL BE SKI CLUB FEATURE

TAHOE CITY—A special feature at the meeting of the Squaw Valley-Lake Tahoe Ski Club Friday evening will be an initial showing of movies on infantile paralysis and the public is invited to attend. The March of Dimes drive at the lake this year is sponsored by the Veterans of Foreign Wars and Wiley Jones will show the pictures. Mrs. Blanche Donaldson, club president, will be in charge of the meeting.

The first shot of the Salk vaccine for all those wishing it, will be provided by the VFW and Mrs. Sklar and Prescott will administer the shots.

COUNTY RECEIVES PAY FOR BRIDGE

The County of Nevada has been awarded \$18,750 by the federal court for a claim against the U.S. Forest Service for damages done to a bridge near Truckee.

The suit against the government was filed by District Attorney Vernon Stoll following an incident about five years ago when a piece of equipment leased to the Forest Service went through the bridge when going to a fire.

Cafe Closed

The St. Louis Cafe is closed until December 17 while Floyd Carrell and his crew completely redecorate the interior and other annual repairs are made. Mr. and Mrs. Hal Welch, the owners, had planned a vacation while the work was being done, but the accident which sent Mrs. Welch to the hospital made this impossible.

Spoke In City—

Highway Patrolman William Gautsche spoke in San Francisco Friday before an audience of potential skiers. The subject was pertinent to rules and safety measures on or about the highways when in the skiing country.

Faulkner Installed As Head Of Lodge At Ceremony Here

Sam Faulkner of Kings Beach was installed as worshipful master of the Truckee Masonic Lodge and Mrs. Elmay Philippi was installed as worthy matron of Truckee Chapter of the Order of the Eastern Star at joint installation ceremonies attended by 150 members and guests at Masonic Hall here Saturday evening.

Installing the Masonic officers was Robert Critchley, the immediate past master of the lodge, with Melvin F. Jones officiating as master of ceremonies.

Other Masonic officers installed at the impressive ceremonies included:

Wayne Philippi, senior warden; James McIver, junior warden; Charles R. Heller, treasurer; J. D. Anderson, secretary; Robert Critchley, chaplain; Melvin F. Jones, marshal; Earl H. Althof, senior deacon; E. E. Thompson, junior deacon; Otis Wing, senior steward; Kenneth Hedlund, junior steward and Frank Madison, tiler.

A complete list of the Eastern Star officers installed Saturday evening was published in last week's Sierra Sun.

Last Rites Held For Mrs. Kiningham

Funeral services were held Sunday afternoon at 2 o'clock for Mrs. Emma Kiningham, 80, who expired here Thursday afternoon following a lengthy illness. Rev. Wesley Osman officiated and the Truckee Colonial Mortuary was in charge of arrangements. Burial was in the Truckee cemetery.

Mrs. Kiningham was a native of Texas, born November 24, 1878. She came here last May to make her home with her son-in-law and daughter, Mr. and Mrs. Rex Reid at Donner Lake.

She is survived by four other children, Mrs. Glen Gaar of Reno, Mrs. Lela Lamb of Los Angeles, Floyd Kiningham of Oklahoma and Ernest Kiningham of Arizona. There are 10 grandchildren. There are two sisters and three brothers surviving. They are Mrs. Della Dixon of Texas, Mrs. Lucille Carlson of Colorado, Frank, John and Bascomb Spradling, all of Texas.

Mrs. Kiningham, during her residence here, made many friends who will regret her passing and sympathy is extended to the survivors.

30 CARS TIEUP U. S. 40 IN SNOW STORM

Although no one was injured, at least 30 cars were involved in a series of collisions and a traffic tieup for four hours at the Flycasters Club Tuesday night at 10 o'clock.

It all started when a car driven by Earl E. Ressa, employed at the Capitol Cafe here, was struck in the rear by a second vehicle which in turn was struck by a third. While State Patrolman Bud McCallen was attempting to get the three cars off the highway, a second crash occurred and cars from both east and west skidded into the stalled vehicles.

McCallen radioed to Patrolman T. F. Sheehan and despite frantic efforts, traffic was tied up until 2 a.m. and between 30 and 40 cars involved. Blamed was the snow-covered highway and vehicles without chains.

NATIONAL MAGAZINE FEATURES SUMMIT

Dramatic battle to keep Highway 40 open over Donner and the Sierra in the face of cruel mid-winter snowstorms is the subject of a pictorial feature in the December issue of Popular Science.

A brief story of Wesley S. Griswold accompanies nine striking photographs of the California division of highways' annual epic battle to keep traffic moving despite snowfalls that sometimes reach five feet in 24 hours.

"Nowhere in the United States is the task rougher," Mr. Griswold says of the department's yearly tilt with nature.

Feted At Party—

Mr. and Mrs. Zeph Rose and children returned last week from their former home in the bay area, where they visited friends and Mrs. Rose was the guest of honor at a party.

Many Injured As Bus, Truck Crash At Donner Lake

Blinking Snow Blamed For Collision; 20 Go To Local Hospital

Twenty people were treated at the Tahoe Forest Hospital shortly after noon yesterday after a west-bound Greyhound bus, operated by William J. Ward of Sacramento, and a Pacific Intermountain Express truck driven by D. W. McIlhany of Hayward collided head-on in a blinding snow storm half way along Donner Lake on Highway 40.

With the exception of Mrs. Rebecca Johnson of Stockton, who may have internal injuries, all the victims escaped with minor injuries.

Sgt. Frank Snyder and Patrolmen Martin Sturcke, Bud McCallen and Carroll Maynard were called to make the investigation and indicated that the bus driver was blinded by the swirling snow and went across the snow-covered center line into the path of the truck.

Treated at the hospital and released were Albert Johnson, Stockton; Adelaide Salem, Acampo; Margaret Darendorff, Toronto; C. W. Howard, Temple, Texas; Lou W. Peterasek, Sacramento; C. W. Brown, Sacramento; Robert Morgan, San Bernardino; F. Ball, Sacramento; Lucy Stagner, Yountville; Archdeola Neelie, Acampo; Mrs. Mariellen Capurro, Sparks, Nev.; Mac Tomas, Stockton; R. de Hrdalo, Auburn; Mrs. Pat Murphy, Rogerson, Idaho; Mrs. John A. Brown, Twin Falls, Idaho; Eugene Ulep, Stockton; Mrs. Hannah Reed, Vacaville; A. P. Kuzel, Olivehurst, and the two drivers.

MANY ITEMS ON LIST FOR BOARD MEETING

At a meeting of the governing board of the Tahoe-Truckee Unified School District next Tuesday at the high school, the teachers' committee will present a 12-month payment plan, a representative from the American Right of Way and Appraisal Contractors will be present to discuss a Southern Pacific pipeline in relation to school property and other important business will be taken up. Among other items, the board will discuss master plans for buildings in the district and will review the bus information touched upon briefly at the last meeting.

Expenditures will be approved and resolutions regarding construction of a warehouse and withdrawal of funds from the special reserve fund will be signed. Reg Smart will preside at the session.

ELECTION DELAYED BY LOCAL CHAMBER

Since there were not enough members attending the meeting of the chamber of commerce last Tuesday to hold the official election, President Hal Welch will call a special meeting of the board of directors in the near future to determine action to be taken. Rex Reid is the only nominee to succeed Welch, who was not a candidate.

VETERAN FOREMAN ON S. P. SUCCUMBS

Stanley Callisten, 85, who first started working for the Southern Pacific Company in 1902, died at his home near Tunnel Six at Norden sometime Friday night and his body was discovered Sunday afternoon at 5:30 by neighbors who went to his house to find why he had not been seen. Death was due to natural causes.

Callisten was a retired bridge and building foreman for the SP and was well known in the Truckee-Donner area.

A native of Isle of Man, the deceased was born February 10, 1871. He was never married and so far as can be determined left no known relatives.

Funeral services were held at the Truckee Colonial Mortuary Wednesday afternoon and interment was in the Truckee cemetery.

SALES TAX

The matter of a county sales tax was discussed briefly at the meeting of the board of supervisors Monday but no action was taken. It was decided to withhold action until the two new members have voiced their opinion.

To Bay—

Mr. and Mrs. Reg Smart with Joyce and Brian went to San Francisco on Tuesday where he is attending a meeting and the family visited relatives.

Patient At Hospital—

Mrs. Edward Trask, who underwent surgery at the Tahoe Forest Hospital on Monday, is reported to be improving and friends are hopeful for a fast and complete recovery.

Attends Wedding—

Nolan Little of Kings Beach was among those attending the wedding of his sister, Sharon, to Fred Wofford in southern California recently.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Fire
Saturday at 4:45 p.m. and I just saw two fire trucks go out from the new fire station. We have a good view from our window and believe me it was a thrill to see our own trucks. I say our own, because that's what they are when we keep our dues paid up. If this isn't a worthwhile deal, I would like to know what one is. Well, I hear the minor fire was at the Johnny Rayburn home on Fox street in Kings Beach. I hear the damage was not great but bad enough at any time. This was more

good work by the fire department headed by Howard (Curley) Mason, the fire chief.

Polio Pictures
Pictures of the polio foundation were shown both at the Rotary and the Lions Club at Crystal Bay during the week. It has been announced that the VFW will underwrite the first shot for people of the North Tahoe district including Tahoe City, Kings Beach and Crystal Bay. Notification of the time and place will be given so that people will be given an opportunity to take the necessary shots. Every breadwinner up to 50 is urged to take this opportunity and I understand Dr. Allan Sklar and Dr. Wilton Prescott will give the shots

LIBERTY QUOTES
"I HAVE SWORN UPON THE ALTAR OF GOD ETERNAL HOSTILITY AGAINST EVERY FORM OF TYRANNY OVER THE MIND OF MAN."
—Thomas Jefferson

THE PATRIOT RIDES AGAIN

ON JULY 2, 1776, CAESAR RODNEY OF DELAWARE, DESPERATELY ILL, LEFT HIS SICKBED AND RODE 60 PAINFUL MILES THROUGH A THUNDER STORM TO THE CONTINENTAL CONGRESS TO VOTE THE CREATION OF A FREE AND INDEPENDENT AMERICA.

LIFE, LIBERTY AND THE PURSUIT OF HAPPINESS

AS "DELAWARE" WAS CALLED—RODNEY STAGGERED IN AND SHOUTED: "I VOTE YES!" THEN FELL EXHAUSTED TO THE FLOOR. THE PATRIOTIC COURAGE AND SELF-SACRIFICE OF OUR FOREBEARS DEDICATED TO FIGHTING TYRANNY AT HOME OR ABROAD HAS MADE AMERICA "THE LAND OF THE FREE AND THE HOME OF THE BRAVE."

free of charge. Wiley Jones urges all residents of North Tahoe to attend a meeting at the Community Center at Tahoe City Friday night this week, so be sure to attend as it is in the interest of your health. Mike Kornazowich, commander of the VFW says to call him for any further information.

Vacationing

Ray and Mrs. Bergman of Mikes service station at Kings Beach have left for the bay area for a short vacation with Mr. and Mrs. Borden, Barbara's mother and father. They will visit many friends while gone. This is their first vacation in many years.

Fast Arrival

Virginia Carlson, wife of John Carlson acts fast when she becomes a mother. Virginia was on the lawn of the Barnum home on Bear street when she became ill and was carried into the home and gave birth to a beautiful baby boy, 7 pounds and 8 ounces, after which Dr. Prescott attended the mother who was taken to the Tahoe Forest Hospital. This was on Thursday, November 29 and she was back home again Saturday. The name of the youngster is Anthony John. Beverly Newell and Mrs. Barnum took over until the doctor arrived. This is another example of how things can be done at Kings Beach.

New Home

Always glad to hear of our natives going ahead. Jimmy Astel was telling me that they are moving into their new home on Cutthroat street off Bear street. Congratulations, Jimmy, it's just wonderful.

Getting Ready

Gene Faulkner, president of the Council of North Tahoe Organizations, took a trip to Sacramento with Ivey Laborde, Leona Graton and Kay Felle last week to buy presents for the big Christmas party for the youngsters at Kings Beach on Saturday, December 22. They returned with 200 gifts.

Birthday

Last Sunday, Ivey Laborde celebrated her birthday and what a day it was. Ileta, her little daughter was on deck to give her mother a real big time. The windup of the day was left for Slim who took his good wife to Carson City. Happy birthday, Ivey.

Trip to L. A.

Louise Antillon left a few days

ago with Mrs. Baker, daughter of Mrs. Comstock, for Los Angeles to spend a short time, son Louie says it's up to his daughter, Anita, to keep house for him.

More Sadness

Lyman Charles Neighbor, Rt. 1, Box 530, was said to have taken his own life last Friday night in a trailer in the rear of Sandy Beach Hotel. He was 18 years of age and had worked at the hotel during the summer and was well thought of by all who knew him. It was reported by police that he connected a gas pipe to a sleeping bag. The body was taken to Colfax by Coroner Francis West. There was no known motive for the act.

Good for Us

According to Carol Howard, the Postmaster of Kings Beach, there are more residents staying in this year. Carol says at least 800 are staying in and that's a good sign. The weather has been the best ever and those who went out to escape bad weather have sure missed a delightful month of November. Every morning the temperature at Kings Beach has been 10 degrees higher than at Reno at 7 a.m. Al Snyder of Lake Forest and his good wife who went out at the beginning of November and vacationed at Cathedral City, said he thought they would miss the snow; instead they missed our late Indian summer.

Health Hazard

Someone in town was misinformed as to the disposition of the case of the People vs. Gene Durant who was cited by the health department for living in a building, formerly a gas station that was moved onto a lot on Rainbow street and was considered an eyesore. The complaint was that the sewage was allowed to run on top the ground (a health hazard). Durant appeared in court and after pleading guilty was ordered by the court to move from the building within 24 hours and remain out until proper sewage facilities had been installed. Gene moved but was most cooperative and no probation or other penalty was imposed.

Jingle Bells

Imagine, three weeks and Christmas Day will be here. Don't forget to decorate the outside of your home. Gene Faulkner says good prizes will be offered for the three

best decorated homes, but never Christmas that counts and the mind the prizes, it's the spirit of kids will love.

Faultless
"Winterset Flannelette"
by Wilson Brothers

This cotton flannelette is soft as down, yet wonderfully warm on cold winter nights... comes in a smart snowflake pattern. Men's pajamas have the famous Faultless waistband and seamless Super Seat for extra comfort. Nightshirts in women's sizes as well as men's... perfect gift idea for your spouse!

NEWS NOTES FROM TAHOE

By Naomi McLane
P. O. Box 195, Tahome

Barometer Drops

The barometer is dropping so none can say what kind of weather this issue of the Sierra Sun will report. Whatever the weather now, we can certainly be grateful for this long period of unexpected beautiful days. It's been nice to have had a second chance to get things picked up and out of the way until spring.

Golfers Out

Who would have dreamed that the first Sunday in December would—orcould—bring golfers out on the Tahoe course? Jean Henry, Betty Starratt, Jane Cooke, Red Anderson, N. R. Mayfield, Mr. and Mrs. Floyd Carnell, Mr. and Mrs. Al Lewis and Mr. and Mrs. Howard

Martin were among the enthusiasts who could not resist the golden day.

Married

Many of you will remember Gary Brumbaugh who spent his boyhood and high school days here with his mother, Mrs. Earlene Brumbaugh. Gary has spent some time in the army but now comes word to the Bury's that he was married last month to Lola Marlene Rosenberger in La Canada.

Rotary Meets

Steve Korich presided over the Rotary meeting Tuesday night at Bacchi's Inn in Lake Forest. Clyde Curtis of Placerville, who is the district governor of Rotary was the guest speaker. He came with two guests, Mickey Fellows and Ted Fisher, also of Placerville. He spoke on the importance of Rotary in the world today and of the place it can play in the cause of international peace. He also gave a resume of his eight-day schooling

at Lake Placid which all district governors take before taking over the duties of their office.

After a round-table of committee reports, Curtis complimented the men on their big project, the one that has given so much pleasure to us all these years—the Christmas tree program for the children. This party will be held December 21 at the tree in Tahoe City.

Cub Scouts Meet

The recently formed Cub Scout troop held their first pack meeting Wednesday night at Community Hall. Both dens gave delightful programs. Den No. 1, under the leadership of Den Mother Leatrice Burner, showed pictures of the first Thanksgiving and Den No. 2 which has been studying about Puerto Rico as part of their program, sang a Puerto Rican song in costumes and with instruments which the boys had made themselves. Mrs. Imon Mitchell accompanied them. Nickie Day is the

mother of this den. Award were given out at this meeting by Chris Burner, scout council leader. Bobcat pins went to John Carnell, Chris Burner, Dick Nielsen, Dale Mitchell, Jerry Jorgensen and Jeff Lodi of Den 1 and to Dan Sprague, Jake Obexer, Jeff McLane, Paul Cincotta, Lance Poulsen and Tommy Rukhala of Den 2. Don Stowe and Chipper Marvin of Den 1 received their wolf badges and first year stars and Don Bury received his first year star. Howard Cincotta of Den 2 has earned the most honors. He received two silver arrows for wolf, one silver and one gold for bear activities. George Day received his bear badge and a one year star. Pat Dempsey received his one year star. Chris Burner demonstrated the steps of cubbing on an attractive board which held candle lighted symbols of the organization. This large plywood board was donated to the cubs by

the Snyder Lumber Co. The whole evening was enjoyable.

Square Dancing

Thursdays have been decided on for the beginning classes in folk and square dancing at the Community Hall. All adults are most welcome. Give it a try this coming Thursday from 8 to 10 p.m. Geri Bean is the person to see if you have any questions, but you needn't have. Just come—in low shoes, for sure! John and Sophie Levra as teachers will give you a new and lasting skill practically painlessly.

PTA Meeting

PTA had a good attendance with Bruce Wright and John Corbin as speakers. Wright spoke on the annoyance and danger the children make in their interest in the county snow plow. He asked that parents do their utmost to teach the children what tragic results can follow from simple mischief. It was tentatively suggested that a demon-

stration of the big rotary night be given at the school yard to satisfy the children's curiosity. The danger of playing in the beautiful snowfall of the plow was stressed. Big rocks and chunks of ice often are falling, too.

Superintendent Corbin spoke of plans the school board is making to take care of the expected enlargement in school population in each district. He clearly explained the needs and projected plans with special reference to our own school. He also told about the coming election in January to decide about the junior college district and gave reasons why such a district would not serve the best interests of Tahoe Truckee. Out of this discussion, a local committee was appointed by President Mabel Nielsen to see what we could do on our local level to "get out the vote" and to explain why we do not favor this junior college district as it is proposed. Leonard Bury is chairman of the committee which met Tuesday night at the home of Mr. and Mrs. John Starratt.

Newcomers

A newcomer family brought my attention to another family which has been here for some time but I had missed their arrival so will mention both now. Wendell Dunn and his wife, Alice, arrived here in June from Pocatello, Idaho. Wendell is pharmacist at Jay's Drug Store. He is a graduate of Idaho State College's School of

Pharmacy. Dunn's have two children, Ruth Ann, six, who is in the first grade, and four-month-old Sammy.

The other new family is Kenneth Dunn's and Kenneth is a brother of Wendell. Kenneth has taken Link Dempsey's place at Basil Kehoe's store, just these last two weeks. Kenneth and Lorene and their two children, Beccy, two-and-a-half, and Lowell, eight months, are from Centro.

Alice Dunn is just starting a 4-H Club for girls. We will give you more information about this very soon. Meanwhile any girl of nine or older may join in this worthwhile organization.

Spaghetti Dinner

Remember the PTA spaghetti dinner at the school this Saturday night. Dinner will be served from 6 to 8 p.m. Everyone is urged to stay just for fun and talk. No formal program is scheduled. Toys will be on sale most cheaply and the nursery school doll which has turned out to be two dolls will be given to the lucky ticket holder. Tickets are on sale by the Girl Scouts or get in touch with Mrs. Pat Cross at 10-W. Adults are \$1, teen-agers, 75c and children 50c. Do come!

LAKE LEVEL

TAHOE CITY—Monday the level of Lake Tahoe stood at 6227.78 feet with 345 cfs of water leaving the gates. Temperatures had ranged from 21 to 53 during the week.

Tahoe-Truckee School District News

TRUCKEE ELEMENTARY

Kindergarten: (Teacher, Dee Osborn.) Our November program of "Being a Helper" has had fine results in our room. Those who have been especially good helpers in keeping our room neat and orderly are George Franceschini, Bruce Leamon, Jonathan McLane, Yvonne Johnson, Pamela Notley and Anna Collier.

First Grade: (Teacher, Helen Camp.) In a quiz on the numbers from one to fifty, perfect papers were handed in by Henry Frates, Chris Kumle, Bill Rose, Michael Borden, Bill Cardinal, Ruth Notley, Jennifer O'Beare and Phillip Risden.

Second Grade: (Teacher, Helen Trask.) We had spelling matches recently. The winners were Timmie McLane, Mary Ann Moore, Raymond Fitzsimmons, Susie Olano, Gail Englehart, Gary Waters and Frances Barrett.

Those having writing papers displayed on our bulletin board this week were Sharon Peterson, Gary Waters, Darlynn Ingalls, Len Vind, Mary Ann Moore, Mickey Kenyon, Frances Barrett, Jack Melugin, Gail Englehart, Teresa Pinedo, Susie Olano, Bruce King, Bill Waters and Russell Glen.

Third Grade: (Teacher, Arlene Roth.) Interesting pictures illustrating favorite stories were made by Larry Digesti, Cheri Tudor, Joyce Randall, Karen Walker, Courtney Lewis, Heidi and Mark Moore.

We're glad to welcome Raymond Mathes and William Perry to our class. We now have 40 in our room.

Fourth Grade: (Teacher, John Sever.) Preparing for the Yuletide season, the fourth grade began to practice our favorite carols during the past week.

Events of the week found Marcia Leamon being awarded an "outstanding" for a fine paper in social studies. Mike Harris received credit for having the neatest desk in the room.

Routine matters: lunch cards, Eddie King, Dave Saroni and Danny Garcia; noon committee, Judy McGinn and Greg York; mid-morning, Donnie Thomas and Mike Harris.

Fifth Grade: (Teacher, Olia Tiffie.) Leilani Braasch gave a most interesting report on her trip through the northern and mid-western states.

Those making a perfect score in spelling were Bonnie Fair, Leilani Braasch, Dianne Cardinal, Evelyn Hintz, Ronald Brown, Ronald Buck, Bobby Frates and Richard Saroni.

Sixth Grade: (Teacher, Ruth Robertson.) The fifth and sixth grades are planning to form an A capella choir and voice speaking choir. They will present several numbers for their parents when the various rooms have their Christmas entertainment.

KINGS BEACH SCHOOL

Kindergarten and First Grade: (Teacher, Elrose Knudsen.) Most of the children and their families spent Thanksgiving at Kings Beach, but the following went out of town for the holiday: Mr. and Mrs. Brandt and Bobby went to Oakland; Pat Cinani and his family went to Gardena; Kathy Critchley and her family went to Sacramento; Shari Decker and her family traveled to Hay Ford, Ore.; Donna and Sandra Martin and their families spent Thanksgiving in Marysville; Mr. and Mrs. Mullis and Madelyn went to San Leandro; and Janice Wing and her family went to Marshall.

A new doll cradle was purchased by the school district for our classroom. Bobby Brandt and Mike Cook brought some lumber to use. Sandra Martin, Donna Martin, Greg Pope and Mike Cook are painting cupboards.

First graders receiving new readers this week are Diana Astle, Jay Bisio, Bobby Brandt, Ann Felte, Aaron Hiibel, Mary Olinghouse and Janice Wing.

Second and Third Grade: (Teacher, Katherine Wing.) Our class won the thrift banner this week.

Phil Thompson, a third grader from Mrs. Corbin's room, brought a sugar beet and showed it to our class.

Those completing their reader are: Bruce Templeton, Vern Wing, Chris Althof, and Bruce Draney.

THAT'S A FACT

ANIMAL... VEGETABLE... OR MINERAL?

ONCE THOUGHT TO BE A WORM HOUSE, THE SPONGE IS ACTUALLY THE SKELETON OF AN ANIMAL!

\$4,000 OR BUST?

WELL, YOU DON'T HAVE TO TRUST TO HAVE THIS AMOUNT! ALL YOU HAVE TO DO IS INVEST \$7.50 PER WEEK FOR 9 YEARS MONTHLY IN U.S. SAVINGS BONDS, AND YOU'LL HAVE \$4,277.

LIGHT FOR SALE

ON A UNIQUE CONTRACT, THE OWNER OF A FIVE STORY BUILDING AGREED NOT TO BUILD ANY HIGHER AND SO DEPRIVE THE OCCUPANTS OF AN ADJACENT SKYSCRAPER OF DAYLIGHT. THIS "DAYLIGHT RENT" AVERAGES ABOUT \$15,000 PER YEAR FOR 20 YEARS.

RELAX—

—AND WATCH YOUR BANKROLL GROW! SYSTEMATIC INVESTMENT IN U.S. SAVINGS BONDS WILL BUILD YOUR RESERVE FOR THOSE EMERGENCIES THAT OFTEN COME—OR FOR YOUR SECURITY AT SOME FUTURE DATE!

The following children brought records for us to enjoy: Susan Clackett, Carl Christiansen and Carol Lee Corbin.

Jean Potkay brought several of her baby pictures to share with us.

Wendy Howell, who went to southern California for the Thanksgiving vacation, has been absent most of this week.

Martha De Gregorio brought acorns that she picked during her vacation.

Mrs. Herschel Hill and daughter, Lana, visited our room Friday.

Third and Fourth Grade: (Teacher, Dorothy Corbin.) This week we have a clown on our blackboard. He is a crossword puzzle. We have really been thinking and using the dictionary to fill in the spaces.

Estelle Howell returned from a trip with her parents to Los Angeles. Penny Cassidy made a trip to San Francisco during the holidays. Gail Fitzgerald and Wendy Boatman have been absent with the flu.

TAHOE LAKE SCHOOL
Kindergarten and First Grade: (Teacher, Geraldine Bean.) Tahoe Lake kindergarten and first grade celebrated Steven Mitchell's birthday at school this week.

Three of the best water fall and deer pictures were done by George Speeter, Dwight Lang and Dianne McBride.

Star papers this week were done by Ruth Ann Dunn, Denise Henriksen, Dianne McBride, Rocky Riggs, Roddy Farley, Erik Herikson, Dwight Lang, Connie Day and Embree Cross.

The following students scored 100 percent on the final 32-word vocabulary test: Breeze Cross, Ruth Ann Dunn, Erik Henriksen, Denise Henriksen, Dwight Lang

and Dianne McBride.

First and Second Grade: (Teacher, Mrs. Beavers.) In the first grade this week we have been learning to match numbers with their number words. The neatest writing and matching was done by: Tommy Carnell, Mike Burner, Connie Day, Rocky Riggs, Rod Farley, Tabor Griswold, Ernie Marlier and Anna Marie Connors.

In the second grade the following people made 100 percent and stars on a vocabulary test: George Selkirk, Lynn Harper, Chris Beavers, Vicki Jones, Joan Caulkett, Armen Abrahamian, Billy Rabaska, Darlinda Stark, Rosemary Wray, Marty Spitsen, Johnny Carnell, Dick Pomin.

Third and Fourth Grade: (Teacher, Mrs. Farr.)—During the Listening program the teacher gave a short talk on the use of school building and facilities. This talk was followed by class suggestions as to how to educate children without punishment.

The third grade has started to develop the creative writing study with Paul Cincotta completing the first chapter on his first book. Fifth and Sixth Grade: (Teacher, Helen Rauscher.) The fifth and sixth grade held a group discussion on what makes a good speaker. Galen Paine and Sandy Fellows demonstrated how the relaxed student should behave before an audience.

Mrs. Alice Dunn from Tahoe City spoke to the class for several minutes of the possibility of beginning a 4-H Club in this area.

DONNER TRAIL SCHOOL

Kindergarten, First and Second Grades: (Teacher, Jeanne Kessey.) The children in the primary grades at Donner Trail School are interested in the progress of air travel. They are beginning to father facts which will enable them to make a comparison between airplanes, helicopters, and jet planes. Their study will also concern the use of these planes.

Richard Bartuccio has returned to school after a battle with an ear infection. We are certainly glad to have him back.

Two of our fine pupils have left us recently. Robert Robins, who father works with the PG&E south and Eddie Timmons has changed to Truckee Elementary School. We miss them.

Third, Fourth, Fifth and Sixth

MARCH OF DIMES IS UNDER WAY AT AT ROTARY MEET

KINGS BEACH—The Rotary Clubs of Brockway and Tahoe City held an inter-city meeting on Monday night at the Crystal Bay Club for the purpose of aiding the Veterans of Foreign Wars launch the annual March of Dimes campaign.

Grades: (Teacher, Robert Bailey.) Our class observed book-week by giving oral book reports. At the end of the school year a gold pin will be presented to the boy or girl who gave the best series of reports.

Our class librarian is Patsy Burchfield. She is doing a fine job of checking library books in and out for the students.

We plan on buying a microscope with part of the money earned from the Christmas card sales.

Commander Mike Kornazewich and Chairman Wiley Jones presented two films namely, "Look at Me" and "Unconditional Surrender," which have been produced by the National Infantile Paralysis Foundation.

The first film depicted the treatment and rehabilitation of polio patients and the second film was the history of Salk vaccine which took years of intensive research and experimentation to bring it to its perfection.

J. J. McGlade of the Tahoe Forest Hospital was also a guest of the clubs and gave a most interesting report of the hospital. He also brought to our attention the problem which the hospital and its staff are going to be confronted at the time the 1960 Olympics are held at Squaw Valley.

Seventy-nine Rotarians, their ladies and guests were present at the meeting. All fines amounting to \$117 was turned over to the March of Dimes fund.

The meeting was presided over by President Pappy Brooks of the Brockway club and President Steve Korich of the Tahoe City club.

TNT TIDINGS

By JUDE' COMMAGERE

Juniors—Christmas Dream
Friday, November 31, the Junior class presented a "bop version" of the Night Before Christmas, under the direction of Mr. Trask. Monitors were Kenny Vaughan and Berger Nelson. Dreamer, Janice Grey. Santas, Jack Coffey and Fred Shultz; reindeer, Dave Whiteley, Judy Hastings, Irene Inglehart, and Dave Holeman. Dancers: Ken Osburn, Dick Decker, JoAnn Hallet, Joice Slate, Alice Slanders, junior year, and varsity in the Deny Hogan; jail bird, Stanley

Baker. Musicians: Pat Gunkel, Nancy Marquis, JoAnn Wray, No-land Little, Deny Hogan, Jim Harris. Prop chairmen: Ken Osburn and L. J. Robinsen; undertaker, Don Van Hooser; background music by Bill Locket.

The "Christmas Dream" was of amusing entertainment, and the Juniors are to be congratulated on a job well done.

On The Scoreboard

Dave Rickert, 17, senior, is a new student at TnT. He formerly attended San Bernardino High School where he played on Jay Vee in his sophomore and beginning junior year, and varsity in the last half of his junior year. His

HELPING HAND—A massive, 30-ton erector transports the Army's Corporal missile and sets it up in vertical firing position at the launching site. Of the 40 vehicles in the motor pool of a Corporal battalion, only 20 are conventional types. The rest are designed for this very special artilleryman's job.

grade average is a B and his future plans are to play on a basketball team. Enthusiastically he stated: "We have a very good team, and it shows a lot of promise."

On The Scoreboard

Ken Osburn, 16, junior, has attended TnT for four years. He now holds the office of junior class president. He has been on the Jay Vee for his sophomore and freshman years. Grade average C-B and his future plans are business college. He stated: "I think we have a good ball club and we have a lot of height."

Wolverines' Den

Wolverines' Den was the name the students chose for the student store. Carol Street student store committee chairman, will submit plans for its designing, and after student council's approval, immediate work will be started.

Wolverettes Win!

Friday, November 31, Coach, Betty Lou Raker, six Wolverettes: Karen Decker, Rosalie Christensen, Linda Loynd, Judy O'Neill, Nikki Ann Wing, Carol Street, and rooter, Jude' Commagere, left for a weekend at Chico.

Saturday the eight TnTers attended a girls' basketball clinic sponsored jointly by Northern Section of Girls' and Women's Sports and Superior California Board of Women Officials, at Chico State College.

After registration, a demonstration of defensive team tactics was given by CSC basketball class. Practice sessions for students followed, at which time the six Wolverettes representing TnT played against Gridley, winning 9 to 4.

Coach Betty Lou Raker accepted a challenge from Chico State College. It is quite impossible to describe what took place in the eight-minute game, but I will say I have never seen such fight, drive, and spirit displayed by 12 highly skilled players.

The whistle blew—ending the challenged game—Wolverettes 5, Chico State 2.

The Richmond & San Rafael Ferry & Transportation Company was founded in 1915.

Fish and Game Seeks New State Law For Either-Sex Deer Hunt

SACRAMENTO (CNS) — The state department of fish and game revealed today it desires through a new state law to regulate the number of deer hunters during the either-sex season.

This legislation, originally proposed to the 1955 legislature, was denied, but in a recent report, the department noted that "the need for such regulation grows with the passage of time."

Presently, the fish and game commission lacks the power to govern the number of hunters except during special hunts under permit for which an extra \$5 fee is charged.

The commission said casualties are more likely to occur in areas where hunters are heavily concentrated and announced that three hunters lost their lives and five others were injured during the three days of the 1956 coastal and inland seasons.

During the closing three-day periods of both seasons combined, the commission disclosed, one hunter lost his life and 13 others were injured.

The commission also revealed today the latest tag returns for the statewide deer kill. A total of 107,752 deer have been taken, of which 69,938 were bucks and the remaining 37,814 are antlerless, i.e., does, fawns and spike bucks.

For the 1956 inland season, tag returns show a total of 45,042 bucks and 32,000 antlerless deer.

OIL PRICES WILL BE BOOSTED BY FIRM

LOS ANGELES—Standard Oil Company of California has increased the price it will pay for crude oil and the prices it will charge for certain petroleum products.

It boosted its offering price for 14 gravity oil by 40 cents a barrel.

In turn, diesel, heating oil and kerosene prices were increased by half a cent a gallon. The prices of fuel oils were boosted by 5 to 40 cents a barrel.

Look out for Jimmy

Jimmy is your youngster and mine. Sometimes he forgets to look both ways . . . to cross at corners . . . to watch for cars. Keep an eye open for him near schools and playgrounds. Drive slow enough to stop in time—just in case he forgets.

Be Careful—the child you save may be your own!

KINGS BEACH BOND APPARENTLY LOST BY ONLY TWO VOTES

KINGS BEACH—A regular ballot tally on the proposed \$220,000 bond election held November 20 by the North Tahoe Public Utility District failed to pass by two votes, it was revealed by Mrs. Evelyn Mandeville, treasurer. Of 98 votes cast, 64 were in favor, 34 opposed.

Sixteen of 18 absentee ballots have been returned, and a canvass can be made as soon as the others are received. If the two votes are not returned, a canvass will be made on December 7.

If 16 absentee votes are tallied, 13 must be in favor for the issue to pass. If all 18 are available, 14 will be needed. Mrs. Mandeville explained.

Funds obtained in the proposed measure would be used for the improvement and repair of the utility system, which PUD officers stated has outgrown its disposal plant.

The State Department of Public Health has ordered the district to make certain improvements, the treasurer stated, and if the issue is not passed by the absentee ballots, another election will be scheduled as soon as possible. If a second election fails, it will be necessary to levy assessment to obtain the necessary funds, she added.

CARD OF THANKS

We extend our deepest appreciation to Dr. Ben King and the complete Tahoe Forest Hospital staff for the efficient care and kindness given our dear mother, also our thanks to Rev. W. Osman and the many wonderful friends.

We shall always be grateful to all.

SIERRA SUN

STRICTLY STRICKLAND

By Bill Strickland

Deck and Pat Nicholson of Rancho Sierra Inn have just completed resurfacing the front of their business establishment. This young couple purchased the property from "Doc" Widing last year and are fast making it into one of the most popular stopping places on Highway 40. They have those very necessary ingredients for success, and certainly know how to use them—namely, courtesy and catering. Watching their business grow all year, you certainly have to give credit to their formula. It reminds us of an advertising slo-

gan we once heard. "About the only business to consistently make money without advertising is the United States Mint."

See that Maggie and Milt Avila have just about finished the installation of their tow at Rainbow Tavern. We recall when Herbie Jones first put in the J-Bar down there. It was the second mechanical lift on the Hill, and was certainly very popular. Its very nice to see some one else use that very excellent Hill and location again after several years of non-use. I'm sure everyone on Highway 40 wishes the Avilas lots of good luck and success. We certainly do.

Saw Dr. Gibbons at the San Francisco recreation departments day ski school. He informed me that Ronnie Rau had been selected to attend the junior racing school which will be held the week before Christmas at Mammoth

Importance Of Learning Foreign Language Is Stressed By Educator

By Stephen Marvin (Language Department, Tahoe Truckee High School)

Today much is expected of young men and women. They must be trained to earn good livings; they must be equipped to be good husbands or wives, good fathers and mothers and good neighbors. When these immediate demands are so great, why should they spend valuable time in high school learning foreign languages? I'm going to try to give my answer to this question as briefly as possible.

We may say that the world has shrunk 28,000 times in the last 200 years. (In 1756 a message would have taken three months to travel from Europe to New York; today it would take three minutes.) Every little town is in fact around the corner from Cairo or Omsk or Peking. What happens in Suez won't affect only diplomatic activities in Washington, but also the price of gas in Truckee.

In such a close world, we need friends. We'll probably need them even more in the future. Lending money won't make friends when most of us still think of foreigners in terms of caricatures and clichés. When you have a real friend, you know what he wants, what he likes and how he thinks. This is as true internationally as it is here in our community.

How do we learn what the people of a foreign country think, and what they need? We have to communicate with them. The major method of communication is by words. We have to learn other people's languages to communicate with them. Many foreigners speak English. This isn't a tribute to our superiority; it's recognition of our ignorance.

Why not just have government

Mountain. This school is for the top 10 boys and top five girls in the Far West Ski Association. It certainly gets the youngsters off to a good start and is quite a signal honor to the selectees.

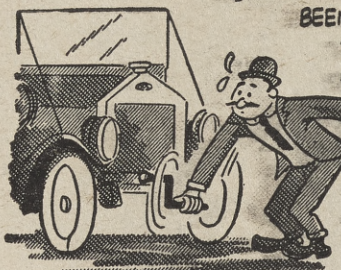

I think notice should be given to the other junior ski clubs, too, to watch out for four lads who are skiing as an unattached team this year, namely, Ronnie Rau, Dennis Hogan, Bob Strickland and Jim Harris. Jimmy is a new team member and is going four ways: so look to your laurels, kids.

We have just received a short history of the National Ski Patrol System which, I know, will be of extreme interest to all skiers, as well as all of the new operators in the ski area. Northern California alone, now boasts of over 250 qualified patrolmen.

The Soda Springs crossing, after lo these many years, now sports the flashing red light safety signals. So there shouldn't be any more "ties" between trains and cars. Now, if we could just get a pedestrian signal crossing so we could get across Highway 40—but, I guess, that's pretty wishful thinking.

"DRIVING THROUGH THE YEARS"

The Story of The Motor Car
Safety Features on Cars

THE AUTOMOBILE INDUSTRY HAS BEEN SAFETY-MINDED FROM THE START. KETTERING'S "SELF-STARTER" IN 1911 NOT ONLY MADE CARS EASIER TO START, BUT SAFER, AVOIDING MANY A BROKEN ARM FROM THE CRANK "KICKBACK."

IN 1912, THE STORAGE BATTERY MADE POSSIBLE BETTER, SAFER LIGHTS—AND WINDSHIELD WIPERS IN 1916 MADE DRIVING IN RAIN SAFER...

...BY 1920, FOUR-WHEEL BRAKES, HYDRAULIC BRAKES, AND IN 1925, BUMPERS BECAME STANDARD EQUIPMENT.

SHATTERPROOF GLASS CAME IN 1928 AND KNEE ACTION IN 1934. SIGNAL LIGHTS, ALL-STEEL BODIES, THE FIRST AUTOMATIC TRANSMISSION BY BUICK IN 1937, SEALED BEAM HEADLIGHTS IN 1940, AND TUBE-LESS TIRES IN 1948. THESE AND MANY OTHER ENGINEERING AND DESIGN INNOVATIONS MAKE TODAY'S CAR A BEAUTIFUL, POWERFUL AND SAFE MEANS OF TRANSPORT.

leaders learn foreign languages? Why should high school students bother? I think of at least three reasons:

First, the men with the diplomatic pouches, the journalists on foreign assignments, international businessmen, the girls who are the secretaries lunching in Rome, these were all once high school students. Knowing a foreign language can be the key to an exciting career. I hope that Truckee will sometime produce a government leader, or a journalist, or an important businessman, or a secretary with adventure behind her forehead.

Second, a foreign land is just as close to Truckee as your son's draft board. This summer I saw 16 American warships in the harbor at Cannes at one time. One aircraft carrier alone had 3,000 boys on it. Your son may not join the navy, but remember that lots of boys and girls who thought they would spend the rest of their lives in Watts found themselves in Heidelberg or Baia or Corregidor.

My third point is one which is so familiar that it is sometimes ignored, but it is so familiar because it is so crucial. The better informed our people are as a whole, the better our government will be, and the wiser we will be in foreign policy. Swallowing capsule bias in the weekly picture magazines isn't going to do the trick. As an example, the editor in last week's Saturday Review mentions that a "friend who had just returned from the Soviet Union was concerned about the fact that a large-scale attempt is under way in Russia to teach the languages of Asia and Africa. It seemed clear to him that the Soviet was trying to fulfill its self-professed role as champion of the Asian and African peoples who are now struggling to achieve or consolidate their national freedom. And the Soviet leaders were capitalizing on the failure of Americans, whether in official or unofficial

capacity, to know the tongues of the people they were trying to persuade."

There are indications everywhere that we Americans have international responsibilities to our own future.

I've said why I think more Americans must learn foreign languages. I don't have room to say what fun it can be. For example, in 1960 knowing a foreign language could be an introduction to some of the greatest athletes in the world. And remember that many of the most exciting movies, many of the best songs, are not in English. You multiply your world when you know another language.

The world's greatest known silver lode was the Comstock in Nevada.

Attorneys for Plaintiff
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA
No. 11274
SUMMONS

Plaintiff,
vs.
B. B. REDDING and "also all other

persons unknown, claiming any right, title, estate, lien or interest in the real property described in the Complaint adverse to Plaintiff's ownership, or any cloud upon plaintiff's title thereto,"

Defendants.

Action brought in the Superior Court of the State of California, in and for the County of Nevada, and the Complaint filed in the office of the County Clerk of said county.

BERLINER & WETHERALL, Nevada City, California, attorneys for Plaintiff,

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETING TO:

B. B. REDDING and "also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the Complaint adverse to Plaintiff's ownership, or any cloud upon Plaintiff's title thereto," Defendants.

YOU ARE HEREBY DIRECTED TO APPEAR AND ANSWER the Complaint on an action entitled as above, brought against you in the Superior Court of the said County of Nevada, State of California, within ten (10) days after service on you of this Summons, if served on you within said County; or within thirty (30) days if served elsewhere.

This action is brought to determine the adverse claims to and clouds upon the title to the real property described in the Complaint herein and hereinafter described by the said Plaintiff, who claims that by himself, or by himself and his predecessors in interest, he has been in the actual, exclusive and adverse possession of such property continuously for twenty (20) years prior to the filing of the said Complaint, claiming to own the same in fee against the whole world, and to have paid all taxes of every kind levied or assessed against the said property during the period of five (5) years continuously next preceding the filing of the said Complaint, and which said real property is situated in and said Counties of Nevada and Placer, State of California, and described as follows, to-wit:

PARCEL 1: All that portion of the Southeast Quarter of Section 16, Township 17 North, Range 16 East, M. D. B. & M., lying between the county line separating Nevada County from Placer County and the Southerly line of Section 18, Township 17 North, Range 16 East, M. D. B. & M., and Easterly of the Easterly line of the State Highway running through the Westerly Half of the Southeast Quarter of the above numbered Section 16.

EXCEPTING THEREFROM any portion of the herein described property that may lie within the boundaries of "Tahoe-Truckee Forest" as per map filed July 4, 1910 in Book "B" of Maps at pages 7, 8 and 9, in the office of Placer County Recorder, State of California.

PARCEL 2: All that portion of the Southeast Quarter of Section 16, Township 17 North, Range

16 East, M. D. B. & M., lying Southerly and between the Southerly line of the right of way of the Central Pacific Railway Company's main line railroad between Colfax and Truckee, California, and the boundary line separating Nevada County from Placer County, and Easterly of the Easterly line of the State Highway running through the Westerly Half of the Southeast Quarter of the above numbered Section 16, lying in Nevada County, California.

AND YOU ARE HEREBY NOTIFIED that, unless you appear and answer as above required, the said Plaintiff will take judgment for any money or damages demanded in the Complaint, as arising upon contract, or will apply to the Court for any other relief demanded in the Complaint.

Given under my hand and the seal of the Superior Court of the County of Nevada, State of California, this 20th day of April, 1956.

TRUCKEE PUBLIC UTILITY DISTRICT

A Tax-Saving, Public Service Enterprise

AFFAIRS OF STATE
by
Henry C. MacArthur

SACRAMENTO (CNS)—If 357 people were killed at one time in one place here in California, it would be a story of unparalleled proportions. News coverage, including pictures, descriptive items

of the tragedy, and scores of reporters, radio and television men would be on hand to record the event. Eye-witness stories would be at a premium.

Yet this is a 30-day record in California as far as traffic accidents are concerned. People meeting death in this state last month totaled 357, which is a record high for any September in history, a figure which brings the 1956 toll to 2710, just 955 short of the record of 3664 traffic deaths in 1946, according to B. R. Caldwell, state

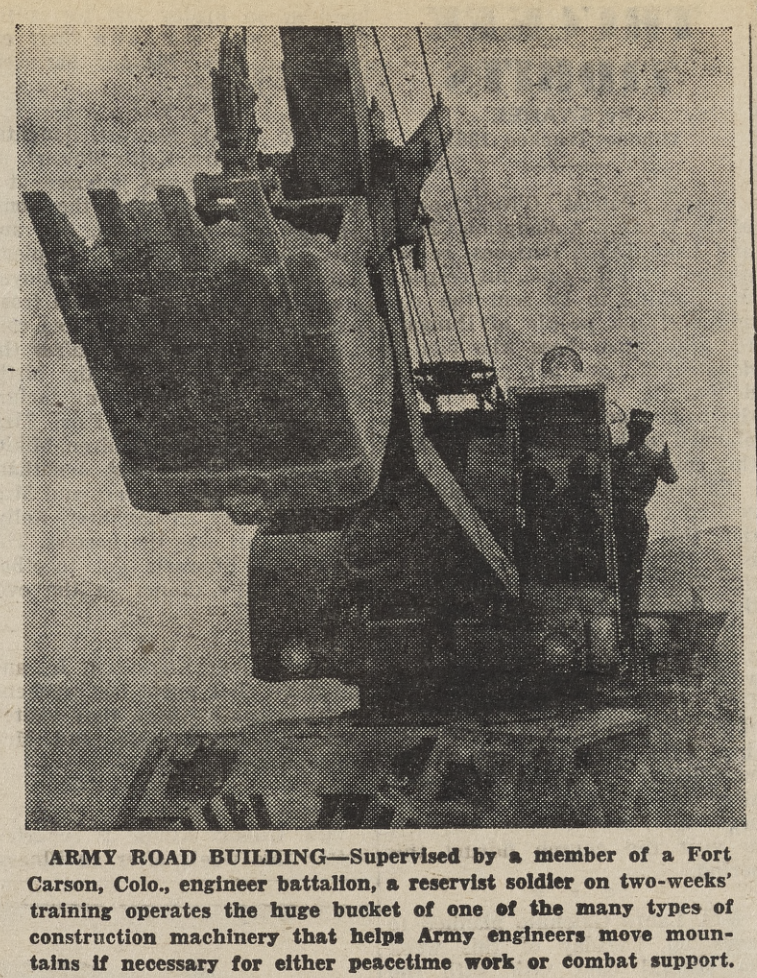

TOTAL DEER KILL IN STATE SET AT 107,000

Latest tag returns have boosted the statewide reported deer kill total to 107,752, of which 69,938 are bucks and the remaining 37,814 are antlerless (defined as does, fawns and spike bucks). For the 1956 inland season, tag returns show a total of 45,042 bucks and 32,086 antlerless deer taken. The antlerless bag consisted of 73 percent does, 6 percent spikes, and 21 percent fawns, which are defined as deer less than one year old.

In the 1 counties open to either-sex hunting during the inland season, 18 percent of the estimated 340,000 total deer population was harvested in this year's hunt. This compares with a range of 18 to 27 percent harvest in other western states where general either-sex hunting is practiced.

In the 18 counties open to either-sex hunting during the 1956 coastal season there were an estimated 210,000 deer, of which the antlerless deer harvest made up only 2.7 percent.

The department of fish and game's 15-page report and analysis of this year's deer seasons was presented to the fish and game commission at its November 15 meeting. The report acknowledged the problems which arose from this year's first experiences with general either-sex hunting in California and suggested possible remedies.

ARMY ROAD BUILDING—Supervised by a member of a Fort Carson, Colo., engineer battalion, a reservist soldier on two-weeks' training operates the huge bucket of one of the many types of construction machinery that helps Army engineers move mountains if necessary for either peacetime work or combat support.

Telephone Directory Manager To Retire

There will be a new listing November 30 for the man who puts out the telephone book.

F. H. Silcock, 65, northern California and Nevada directory manager for Pacific Telephone and Telegraph Company, retires on that date on pension after 33 years of service to the organization.

He will be succeeded by Tom G. Edwards, who has been direc-

tory manager for the company's Oregon area.

Printing and distribution of 35 telephone directories, including the Lake Tahoe and Truckee publications have been under Silcock's charge for the past 15 years.

He noted that during that period it has been necessary to increase his staff from 132 to 756 employees to keep pace with the increase in telephone usage.

Silcock joined Pacific Telephone in 1923 as commercial engineer. He assumed his present post in 1941.

THE PASTIME

Wesley Karasson
On Highway U. S. 40
Truckee, California

highway patrol commissioner.

In view of the fact that the seventh annual governor's safety conference is in progress in Sacramento, the time, might be ripe to again discuss traffic fatalities.

"With our population and motor vehicle registration reaching new high daily, we are faced with a serious challenge to stop this unnecessary toll," Caldwell said.

For it is unnecessary, and it can be assumed that everyone of the 357 deaths, in fact, every one of the 2710 dead this year, could have been avoided.

The governor's safety conference has been meeting now for seven years, and the death rate continues to go up. This is not to say the conference is doing a bad job, for the death rate might be even higher if no conferences were held.

But the fact remains, more people die every year as the result of avoidable automobile crashes, and even all the brains represented at the governor's conference haven't yet solved the problem of how to stop the highway carnage. Perhaps it is nature's way of helping cut down the population, but man has thwarted nature in many situations, and there appears to be no reason why these violent deaths should continue.

This column has stressed many times, and the department of motor vehicles agrees, that there is insufficient enforcement of the driver license laws, and that they are not stringent enough to keep people who should not be behind the wheel of an automobile away from a car.

It also has been pointed out that judges throughout the state are not stringent enough with violators, and this is another contention that many people in officialdom agree with.

For if licensees knew they were to be penalized by a firm revocation when involved in an accident, fewer would happen. If a drunk driver knew that he could drive no more after menacing the public, he would be more apt to turn the keys over to a bartender when starting a night of revelry, and go home in a taxicab.

Reports of the motor vehicle department are full of instances in which neither suspension nor revocation is recommended by the courts following an arrest. Largely, it is this lack of penalty, and lack of enforcement, along with the ease which people can secure drivers' licenses, that contributes to a major part of the deaths on the highways.

Slogans, publicity, pleas on the part of officials, and other gimmicks, dreamed up are shown to have little effect on drivers. And apparently, getting tough is the only answer.

STATE AGENCIES TO OPEN WAR ON DRUNKS

SACRAMENTO — Enforcement and education action against drunk driving is planned for December by the California Highway Patrol and the state department of alcoholic beverage control, according to information released today by these agencies.

"December is the peak month for traffic violations and accidents involving the drunk driver," declared Patrol Commissioner B. R. Caldwell. "To help meet this situation we are joining ABC in a united drive to curtail the accident

causing activities of the drinking driver."

"ABC enforcement personnel will work closely with the highway patrol and other traffic enforcement agencies in a professional approach to the drinking driver problem," stated ABC Director Russell S. Munro. "Coordination between enforcement agencies should be effective and reflect improvement in the December traffic toll."

Caldwell and Munro agreed the drunk driver has no place on our streets and highways and pledged a strong enforcement and education program during December against the incidents of drunk driv-

Father Patrick O'Neill, pastor of the Truckee Assumption Church and Lake Tahoe Parishes, is well pleased with the generous response for clothing to be sent the cold and destitute people of Hungary. He urges that those who plan to donate but have not yet done so deliver the clothing this week to the parsonage at Truckee as it is planned to ship the needed articles this coming week.

Father O'Neill also wishes to remind members of his congregation that Saturday, December 8, is a Holy Day Obligation, being the Feast of the Assumption of the Blessed Virgin, and masses will be held in Truckee at 9:30 a.m. and at 8 p.m. that evening, with communion at both services. There will also be public adoration of the Blessed Sacrament from the time after the conclusion of the benediction in the morning until after the evening services. He urges all Catholics who are able to visit the church during this period.

Mrs. Laura Gaiennie planned to leave on Tuesday of this week for several days visit with the Stanley Martins, long-time residents of Tahoe City, now residing in Lovelock.

The many friends of the Charles White family in town are delighted this week to learn that Mrs. White, who recently suffered a painful fall while visiting in San Francisco, is now able to do a limited amount of walking about her home without the use of her cane. Best wishes are extended for her rapid and complete recovery.

James Morhain, district governor of Nevada and northern California 20-30 Clubs, and James Pringle, district secretary, attended the meeting of the Carson City 20-30 Club on Monday night last. Community projects were the chief topics of the evening's session.

Word of the arrival of another newcomer was received by the Lynn Kishbaughs on November 20th when Lynn's sister and husband, Mr. and Mrs. John Dennis of Harrisburg, Pa., became the parents of a little girl, 8 pounds, 3 1/2 ounces, named Margaret Laurie. Since the Dennises are regular readers of the Sierra Sun each week may be extended congratulations to both lucky families.

Two of Truckee's popular bachelors, James Morhain and James Pringle, on Saturday last exhibited their culinary skill by preparing a tempting dinner in honor of Mr. and Mrs. Lynn Kishbaugh and daughter, Jan. The occasion was to celebrate the Kishbaughs' 14th wedding anniversary which occurred on November 14th. Pheasant, barbecued to a queen's taste, and shot by Jim Morhain on vacation, were the piece de resistance.

The third and last service will be by candlelight on Christmas eve in the church and will start at 10:30 p.m. The late hour was chosen so that other services in nearby churches could also be attended beforehand. There will be community singing, an inspirational talk by Rev. Osman, and meditation. Several solos are scheduled, one, "Contique de Noel" by Adolphe Adam, to be sung by Mrs. Peggy Kishbaugh accompanied by piano and Mrs. Georgiana King on the violin. All are welcome to attend.

Mrs. Pearl Heller of Truckee and Mrs. Margaret Craig of Floriston motored to Sacramento last Saturday where they attended a meeting of the Association of Superior California, Eastern Star. Prior to the session brunch was enjoyed by the group at the Senator Hotel. Object of the meeting was to introduce newly elected officers to their new stations. Mrs. Heller, who assumes the post of conductress, introduced Mrs. Craig who will serve as assistant conductress.

Hope all our Sierra Sun readers will do most of their Christmas shopping in Truckee this season. The local stores are well stocked with quality merchandise which is just as economically priced and well assorted as in the larger towns. And when it comes to dolls for little girls, a perennial favorite, Heller's Variety has a wide and beautiful selection. Two novelty numbers this year are the Revlon and I. Miller. This little lady not only wears authenticated I Miller shoes, but also carries a spare pair under her tiny arm.

Two birthdays in a family in the same month greatly simplifies the entertainment problem for their friends. Mr. and Mrs. Rex Thomas (of Truckee's Thomas Jewelry), observed their birthdates on November 27th and 24th, respectively, so their friends Mr. and Mrs. Henry (Hank) Gall gave a dinner party for them on the 27th at which both were honorees.

Mrs. Louise Geier and Mrs. Gerda Kvistberg of Tahoe City dropped in on Friday last for coffee and a social chat with their neighbor, Mrs. Eleanor Swanson, now of Truckee.

Little Margie Stewart, daughter of Mr. and Mrs. Keith Stewart, on Wednesday last was honoree at a birthday party held at the home of her aunt and uncle, Mr. and Mrs. Wes Fair. Guests at the pleasant afternoon affair each enjoyed ice cream and an individual frosted cupcake bearing a lighted candle. Games were played after the repast and opening of the birthday gifts. Those attending included Bonnie and Diana Fair, Mrs. Victor McLane and children, Mikie, Margaret, Tommy and Jonathan, Jody and Randy Stewart and Mrs. Roy McQuarry and daughter, Kelly. Mrs. Stewart was the hostess. The Fairs and Stewarts got together for a family dinner in the evening.

Mrs. William Englehart, Jr., and daughter, Gail, spent last weekend in Sacramento where they visited with old friends, Mr. and Mrs. Ange Legomarsino.

Better—Mrs. Gilbert Kumle is reported better this week, after an illness.

ANNIVERSARIES

An afternoon party on December 1 and one that evening were given to fete Mrs. Reg Smart and their youngest daughter, Joyce, who share December 2 as their dual birthdate.

Mrs. Russell York was also feted in her family circle on the same date.

Hal Gilson, celebrated his natal date on Sunday. Other recent birthdates included Donna Barnes, daughter of Mr. and Mrs. Harry Barnes who received gifts on November 26, in honor of the occasion.

Mrs. Jack Ellis observed the yearly event on Monday of this week and Mrs. Pete Lazzari and Donald Brown on Tuesday had parties with their respective families.

Kary, son of Mr. and Mrs. Karl Kielhofer was the center of attention yesterday, on his natal date.

Transfers To Capital—

Al Wakefield who has been working for the Southern Pacific Company here for several months has been transferred to Sacramento by the company. He will commute from his residence at Roseville.

PATRONIZE LOCAL STORES

Joins U.S. Air Force—

Jimmy Allen who will be 19 years of age this month is reported, by his mother, to have joined the U. S. Air Force November 13, training at present in San Antonio, Texas.

VERONICA IS MAD AT ME! WHAT CAN I GIVE HER TO MAKE UP?

JUST GIVE HER UNTIL THE FOOTBALL HOP, TONIGHT!

I HEARD HER SAY SHE PUT A 50-YARD RUN IN HER LAST PAIR OF NYLONS!

SAY! HALLBECK'S DEPARTMENT STORE IS JUST KICKING OFF ON A BIG SALE!

COME ON, JUG! YOU CAN RUN INTERFERENCE FOR ME!

SALE

THAT MUST BE THE NYLON SALE WHERE THAT CROWD IS!

NYLON

CROWD? LOOKS MORE LIKE A HERD OF WILD ELEPHANTS AT A PEANUT STAND!

HELP, ARCH! I'M GOING DOWN FOR THE THIRD TIME!

I'VE GOTTA GET THOSE NYLONS FOR VERONICA!

YOUNG MAN! CAN'T YOU ACT LIKE A GENTLEMAN?

I TRIED THAT! NOW I'M ACTING LIKE A LADY!

ARCH! SEND IN A SUB! I'VE HAD IT!

HEY! THAT'S IT! OUR TOUCHDOWN PLAY!

OVER THE GOAL!

© 1956, Archie Comic Publications, Inc. Distributed by King Features Syndicate.

DID YOU GET IT?

YEP! I EVEN GOT A BOX, SOME RIBBON AND TWO BROKEN RIBS!

"YOUR LEGS SHOULD BE GIFT WRAPPED DOWN TO YOUR TOES, YOUR STEMS WERE MADE FOR....."

"NYLON HOSE!"
